Jumpstart package

Jumpstart

Are you only just coping with the everyday management of your social media accounts but feel you need a little more help and confidence to create that spark? We've got your back.

How does this work? Bring us your business goals, and over a cuppa, we'll bring our industry and social media knowledge to the table to make you a plan. We will share some of our tricks of the trade, and together we will draw up a map to help you get where you want to go online.

What you get

- Monthly content call for 30min with our team
- Up to 3 posts per week on one platform* - a mix of owned and curated posts throughout the month
- 4 hours of community outreach a month across all relevant platforms
- Monthly analytics + recommendations

* Add another platform for \$525 + GST.
