Kickstart package

Kickstart

Sometimes we all need a little “oomph” to get us started and going in the right direction.

We’re here to give you the push you need. We will create a fully customised monthly content calendar with strategically placed content ideas and even contribute a couple of posts ourselves. While you’re busy writing the content we’ll do some community outreach work too, making sure your brand is seen in all the right places by all the right people.

These ideas will kick-start you forward as you use them to tell your business story on your social media platforms.

What you get

- Initial 30-minute consult to discuss content topics, resources and execution
- One monthly Content Calendar developed by us, executed by you
- 2x curated or written posts a month by GRM
- 1hrs of community outreach a month across one platform
