

# Grass Roots Media

## Navigator package

### Navigator

We know you can do this but are you feeling like you need a little direction along the way? Let us hop into the jumpseat with you and help you map out your social media course, until you're ready to drive it on your own.

How does this work? Bring us your business goals and over a cuppa, we'll bring our industry and social media knowledge to the table to make you a plan. We will share some of our tricks of the trade and, together we will draw up a map to help you get where you want to go online.

### What you get

- Monthly 30min content call with our #agvocates
- 2 - 3 posts per week on one platform\* - a mix of owned and curated posts
- 2 hours of Community Management a week across all relevant platforms
- Monthly analytics + recommendations

\* Add another platform for \$275 + gst.

Ready to let us navigate your social media journey? [Get in touch](#) with our #agvocates.

Want someone to [take the wheel](#) and showcase your brand's personality online? Let us plant your social media strategically (and in a straight line) so your yield is profitable.
